County Parent-Teachers Hold Autumn Gathering In Local High School

Aristonians Serve Supper To 100 Guests At Afternoon-Evening Meeting—William Couch, Evening Speaker—Superintendent Pinkham Gives Opening Address.

Parents, teachers, educators and other interested persons gathered in the high school yesterday afternoon for the fall meeting of the New Haven County Council of Parent-Teacher Association. About 150 registered.

The Rev. B. Kenneth Anthony delivered the invocation and greetings were extended by Supt. Raymond E. Pinkham. A program of music, under the direction of Miss Angelica Caraballo included selections by the Musical Art Society and solos by Polly Dunbar and Anne Gale.

Mrs. Winthrop Wilcox, County president presided and the principal address of the afternoon was given by Mrs. Jesse Mariner, first vice-president of the State P. T. A. who spoke on "Technical Facts of P. T. A." She said that the P. T. A. represented an absolute cross-section of the country, that organizations are functioning in Hawaii, Alaska and Puerto Rico. Total membership in the country is about 2,500,000.

Mrs. Merle Preston (Maria Shaw) spoke on nutrition programs being developed by defense committees as an aid to better health among children and adults.

Mrs. Herman Beckert, County Chairman spoke on "Practical Art" and exhibited a display.

Aristonians served supper at 6 in the First Congregational Church to 100 guests.

Following the evening William Couch used "Visual Aid" as his subject, illustrating his talk with films and devices.

Registrars were Mrs. C. H. Bush, Mrs. Martin Northam, Mrs. Stephen Zvonkovic and Mrs. Robert Lockyer. Hospitality, Mrs. Norman Bowne and Mrs. D. W. Owens; usher, Mrs. Harold Roth, Mrs. Louis Ritzinger, Paul Rinker, Mrs. Walter Lynch, Mrs. Victor Hutchinson, Mrs. John Hart, Mrs. George Bodycoat, Mrs. Arnold Peterson, Mrs. Howard Kelsey, Mrs. Arthur Hall-den, Mrs. Clarence Johnson.

Mrs. D. W. Owens of Short Beach presented the budget which was accepted. Mrs. Harold Roth of Indian Neck, hygiene chairman was introduced.

Anne Donofrio Becomes Bride

The marriage of Miss Anne Donofrio, daughter of Mr. and Mrs. Patsy Coppola of Branford, and James Nacorato, son of Mr. and Mrs. Vincent Nacorato of Fair Haven, took place Saturday morning in St. Mary's Church. The Rev. Fr. Edmund A. Cotter performed the double ring ceremony. A program of nuptial music was rendered by Arthur Donofrio, violinist, with Mrs. J. J. Collins at the organ.

The bride was attended by Miss Martha Carloni of Branford as maid of honor.

The best man was Nicholas Terrozzoli of Fair Haven.

Following the ceremony a wedding dinner was served at San Remo's in Mognauquin, with a reception in Lithuania Hall in Fair Haven.

Upon their return they will live at 72 Houston Street, Fair Haven.

OPENS OFFICE

Walter Schwartzman, D. D. S. has opened an office for the practice of general dentistry at 256 Main Street.

Leonard C. Macenzie training supervisor and industrial relations advisor of the Socony Vacuum Oil Co. spoke Monday noon at a meeting of the Rotary Club. He used as his subject "Industrial Relations". District Governor Ralph Jenkins will make his official visit Monday, Oct. 20.

Adjourned Town Meeting Monday Slashes Budget

Branford's adjourned annual town meeting held Monday in the Community House, cut \$26,000 from the total budget of \$330,634.82 recommended by the Board of Finance. The reduction included \$20,000 in the selectmen's account and \$6,000 in the amount allotted to the Welfare Department. Specific items which came in for a cut were roads and bridges and tarring of roads in the selectmen's account, each to the amount of \$10,000 and \$3,000 each from the expenditures for charities, and the administration account of the Charities Department.

The attack upon the estimates submitted by the Board of Finance was led by Democratic Cornelius T. Driscoll, town chairman.

Speaking in opposition to the cut in the Welfare Department, T. Holmes Bracken stated that suits now pending against the town and having to do with charity cases amounted to about \$3,100 and that this sum should be reckoned as possible outlay of the department during the coming year. Howard M. Whiting declared that the high overhead of the Board of Charities was inevitable, being largely due to the vast amount of clerical report work required by state law. He also believed it unwise to reduce the charity appropriations because of anticipated unemployment this winter due to the priorities situation. Mr. Driscoll's motion for the two reductions of \$3,000 was carried.

The sum of \$50,000 he considered excessive since the roads are now in good shape. He moved that \$10,000 be slashed from each of the above items and the motion was carried by the meeting.

Some other articles of the call brought out discussion but all were accepted as recommended.

Edward B. Lonergan served as moderator of the meeting and Winfield R. Morgan acted as clerk.

John Guzowski Marries Local Girl Sept. 27

In St. Stanislaus Church on Saturday morning, September 27, at 9 o'clock, Miss Jennie Dombkowska, daughter of Mrs. Teofila Dombkowska of Branford, was married to Mr. John Guzowski, son of Mr. and Mrs. Jacob Guzowski of 370 Center Street, Meriden.

Miss Sabina Dombkowska, of Branford, was maid of honor. The bridesmaids were: Misses Florence Dombkowska, cousin of the bride, of New York; Jean Guzowski, sister of the bridegroom, of Meriden; Stella Gumbkowska and Antoinette Suppe of Branford, Miss Martha Dombkowska, niece of the bride, was the flower girl and Master Edward Guzowski of Meriden was his uncle's ring bearer.

Mr. Henry Buzowski of Meriden served as his brother's best man, and the ushers were: Messrs. Walter Brazdylo, the bride's cousin, of West Haven, Tony Dombkowska, a brother of the bride, of Branford; Teddy Kozak, the bridegroom's cousin, of Meriden; and Walter Koroluk of this city.

START NEW BRIDGE

Work commenced this week on the new bridge to be constructed over the East Haven river. Temporary work sheds are set up on the Short Beach side and a temporary bridge started north of the present structure. On the East Haven side workmen are busy clearing a spot for the temporary bridge. Traffic will not be interrupted.

DeMolay Order New Officials Are Installed

The following officers of Branford Chapter, Order of DeMolay, were inducted into office at its recent meeting in Masonic Hall by Past Master Councilor Warren Winterhalter and his staff of West Haven; Master councilor, Louis Desj; senior councilor, James Mellor; Junior councilor, Paul Barbaric; chaplain, Charles Baldwin; marshal, Robert Fletcher; senior deacon, Kenneth Johnson. Junior deacon, Vincent Griswold. Senior steward, Edwin Poulton; Junior steward, George Malcolm; scribe, Howard Young; treasurer, George Hansen; standard bearer, Calvin Horn.

Almoner, Thure Polson; orator, Eric Schoening; first preceptor, Norman Esborn; second preceptor, Robert Poulton. third preceptor, William Kelsey. fourth preceptor, Charles Montellus; fifth preceptor, James Martin; sixth preceptor, Karl Marsh; seventh preceptor, Henry Holmes.

Bruce Simonds With Symphony Orchestra Mon.

Simonds, Davis, Sziget, Cherkassky, Novacs, Posselt—these are names which mean topflight fame to musicians and assured musical enjoyment to experienced concert patrons. Check them off, one by one.

Bruce Simonds—New Haven's ranking musician, an internationally known pianist, now Dean of the Yale School of Music.

Agnes Davis—lovely young American soprano who has climbed from a teaching position in the Denver Metropolitan Opera and repeated appearances with the Philadelphia Orchestra.

Joseph Sziget—one of the few superb violinists of the contemporary concert stage. According to Time magazine, "for flawless taste and all-around performance, he gets the votes of most critics, flutists, composers, fastidious concert-fanciers."

Shura Cherkassky—brilliant young Russian piano virtuoso who is rapidly winning in this country the acclaim already won in Europe.

Garrity, Mrs. E. B. Rodney, Miss Mary Silney, Mrs. Samuel A. Griswold, Mrs. Charles B. Hitchcock, Mrs. Michael Carpinella, Mrs. Winfield R. Morgan and Mrs. Harry Presentus.

Thomas G. Fisher Dies In 57th Year

The death of Thomas G. Fisher of 5 Bryan Road, occurred Tuesday at 9 P. M. in his home, following an eight month's illness. He was a Spanish War Veteran, First Sgt. Battery A, First Conn. Field Artillery and a member of Sidney Beach Camp, U. S. W. V. He was 74 years of age and was born in New York City, a son of George Fisher and Elizabeth O'Reilly and he had been a resident of this town for 50 years.

Mr. Fisher is survived by his widow, Margaret Meany, two sons, George, of Harvey, Ill., and James of this place; one daughter, Mr. Francis V. Reynolds of this place and five grand children.

A military funeral service will be held at his late home Friday morning at 9:00 with requiem high mass at St. Mary's Church at 9:30. Interment will be in St. Agnes Cemetery.

Sea Scouts of the Flying Cloud plan to give a Halloween party October 31st.

The Student Council and Service Squad of the high school will give a dance, October 24 at 8:30 in the gym.

Hartford Engineers Club Visits M. I. F.

Occasion Was The Inspection Of Recently Installed Mechanized Equipment In Foundry—Cleanliness Noted.

One hundred and fifteen members of the Hartford Engineers Club and sixty-five from the University of Conn. School of Engineering were guests of the M. I. F. Co. Wednesday afternoon. The occasion was the inspection of the recently installed mechanized equipment in the Malleable foundry which is the most modern in the country.

The equipment consists of melting metal by a duplexing system which consists of cupolas where the metal is melted and then drawn off to an air furnace where it is refined and superheated. Next there is the mold conveying unit and continuous pouring when the molds are brought to the metal at the furnace rather than the metal to the molds as in the old practice. Mold-

ers do not pour their own molds or carry them out the pouring floor furthermore the sand is dumped in the molds from an overhead hopper. These operations have eliminated the heavy work from molding. Castings are conveyed to the inspection room by an endless belt instead of by electric trucks and are assorted directly from the belt. The new annealing process has eliminated the heavy work in dumping annealing pots. A specially designed Pot Shake-out removes the packing and castings by a single operation after which the castings are separated going on a conveyor belt to the wheelabrators to be cleaned while the packing goes to a hopper to be used over again.

Visitors to the plant were amazed at the cleanliness throughout the departments. This is made possible by the dust collectors which have been installed for the protection of

University Of Connecticut School Of Engineering Included As Guest—Dinner Served At Summit House.

employees health. Foundry workers have individual lockers adjoining the shower rooms. Each shower room has a caretaker to insure cleanliness.

After the plant visitation the group attended a dinner at the Summit House. Slides were shown of the old methods and of the new methods. A question and answer period was held later. Those present from the M. I. F. Co. were:

Frank V. Bigelow treasurer; G. A. Agnew, superintendent; G. R. Young, production; D. F. Sawtelle, metallurgist; E. S. Craig, plant engineer; M. B. Montellus, time study; G. R. Hansen, estimator; L. R. Moore, draftsman and Harvey Royden, casting dept. G. R. Young production B. Bontatibus Yard Foreman.

Atlantic Wire Explosion Seriously Injures Two Annealing Room Workers

Michael Markesich and Earl FitzPatrick Horribly Burned In Late Evening Blast—Second Serious Accident In Three Months—Cause Unexplained.

Health Officer Gives Warning On Tularemia

Dr. A. S. McQueen, health officer calls attention to the following bulletin issued by the State Board of Health.

Another case of tularemia was reported last week in Connecticut. This is the second reported case for the state, the first one having been reported last winter. Each of these cases had a fatal termination, whereas the usual fatality rate is given as about 15 per cent, which means that approximately one in seven patients may be expected to die. Thus the question arises as to whether or not other cases have occurred in Connecticut that have not been recognized.

While about 90 per cent of human cases of tularemia obtain the infection from wild rabbits or hares, other animals that may be

Miss Strandberg Becomes Bride Of Robert Ek

Miss Gladys Matvina Strandberg, daughter of Mrs. John Strandberg, 50 Sidney Street, East Haven and the late Mr. Strandberg, became the bride of Mr. Robert Carl Ek, son of the late Mr. and Mrs. Carl G. Ek, 76 Marne Street, Hamden, on Saturday afternoon, October 4 at 4 o'clock in Bethesda Lutheran Church, New Haven. The Rev. Karl Mattson performed the ceremony. Miss Hilbur Sveder, organist and Mrs. Irene Maxfield, soprano soloist, presented a program of nuptial music.

Given in marriage by her uncle, Mr. August Strandberg of Springfield, Mass., the bride was attended by her cousin, Miss Helen Mattson of Worcester, Mass., Mr. Arthur Ek of Hamden served as his brother's best man and Mr. Oscar Roos and Mr. Donald Coltrone of Hamden were ushers.

After a reception in the bride's home the couple left for a wedding trip. They will live in 42 Hopson Avenue, Branford.

Miss Colburn Announces Her Wedding Plans

Mr. and Mrs. George A. Colburn of Highland Avenue announce the coming marriage of their daughter, Mavis Alice to Robert C. Welter, Jr., son of Mr. and Mrs. Robert C. Welter of New Haven, October 18 at 3 P. M. in Tabor Lutheran Church.

Miss Colburn has chosen Miss Delores Come of New Haven as her maid of honor. Ralph Welter will be his brother's best man and ushers will be George C. Colburn, Jr., and Fred Krahl.

Four bridal showers have been given by the following hostesses: Mrs. Andrew Strickland, Miss Dorothea Welter, Mrs. Selma Olson, Mrs. William Damberg, Miss Lillie Olson, Mrs. Walter Damberg, Miss Phyllis Goldbeck, Miss Delores Come and Mrs. Fred Krahl.

RUSSIAN VESPER SERVICE

In Trinity Church Sunday a Russian Vesper Service at 4:00 P. M. will be conducted by the Rev. Victor Nedzelitsky of the Russian Orthodox Church of the Transfiguration, Dixwell Ave., New Haven. Fr. Nedzelitsky will be assisted by the choir of the Church of the Transfiguration. All are cordially invited to join in the service.

First encouraging reports on the condition of Earl FitzPatrick, 34, of 25 Chidsey Avenue, East Haven came this morning when New Haven Hospital reported his condition as "slightly improved."

Michael Markesich, 32, of Branford a patient in Grace Hospital was reported at noon today as "still poor."

Burned by an explosion in the annealing room of the Atlantic Wire Company, the two injured employees are on the danger list at the hospital.

Markesich is under treatment for first, second and third degree burns of the entire body, and FitzPatrick is under treatment for second and third degree burns of the hands, arms, shoulders and back.

Windows of the Branford plant were blown out and machinery part were sent flying through the air when the explosion occurred about 10:15 P. M. Monday night and brought several hundred excited residents of the neighborhood running to the scene.

The blast did damage to an annealing furnace at which the men had been working, ruptured gas pipes and caused a minor fire which was extinguished quickly. Company officials were unable to explain the explosion and that an investigation was being made.

The furnace was a gas-fed type new to this area but in use in many other sections of the country. Markesich had apparently been fiddling the apparatus when it exploded while FitzPatrick had his back to the furnace and was less severely burned.

Blinded by a sheet of flame his clothing aflame, Markesich ran to a large rinsing tank located nearby and threw himself into it. Doctors said that a small amount of sulphuric acid was mixed with the water in the tank but they doubted that it had been enough to cause any burns in addition to those the man had already received.

While workers in other parts of the plant went to the aid of Markesich and FitzPatrick, others turned in a fire alarm and shut off the flow of gas to the furnace. The Visiting Nurse Association aided.

Drs. Nathan Levy and Dana B. Blanchard applied large quantities of violet gentian to the injured men's bodies in an effort to ease their pain until two Flanagan ambulances arrived.

While the explosion was not particularly destructive, it was heard for some distance, and a squad of patrolmen was kept busy maintaining order among hundreds of spectators who pressed close to the windows of the room in which the workmen were given emergency treatment.

The explosion was the second at the plant in little over three months. On July 10, Samuel J. Bowden, 26, of 129 Elm Street, Branford, was burned badly while using an oil mixture to clean machinery. He died 10 days later in Grace Hospital.

LOCAL DRAFT BOARD SENDS 10 SELECTEES

The local draft board sent the following selectees to the Hartford Induction Center on Wednesday: Carmen Sincalchi, 559 Main Street; Eugene Jarmie, 339 Foxon Road, Fred Diehl, Jr., 600 Thompson Avenue, of East Haven. Two former residents of East Haven, John Byrnes and Brewster Bush, now residing in New Haven are also called on this date. Those from Branford are: Anthony Roills, John Jacacki, John Dykun, Robert McKenzie and Wild Zilenski.

Vasa Star Lodge No. 150 will meet Friday evening in Svea Hall. A social will follow the business meeting.

THE BIRTH OF GREAT INDUSTRIES

IN THE GALILEAN OBSERVER THAT SHINED FROGS "JUMPED" WHEN AN ELECTRIC CHARGE OCCURRED. THIS LED TO DEVELOPMENT OF THE FIRST PRIMARY BATTERY ON VOLTA'S "HORSE PILE" CONSISTING OF ALTERNATE COPPER AND ZINC DISKS SEPARATED BY WET CLOTH.

THE MOST FAMULAR PRIMARY BATTERY TODAY IS THE DRY CELL, INTRODUCED IN 1860, BY LEWIS URBAN GILBERT. IT IS AN OUTGROWTH OF THE LEAD-ACID CELL, INTRODUCED IN 1860, BY GASTON PLANTÉ.

PLANTÉ ELEMENTS WERE FIRST STORED IN LEAD WITH TWO PIECES OF ZINC PLATING MADE BY PLANTÉ AND ROLLED INTO CILINDRICAL STRIPS OF RUBBER BETWEEN LEAD COMPOUNDS ON PLATES.

THEY WERE MANUFACTURED BY JOHN FAIRBANKS OF CHICAGO IN 1881 AND INTRODUCED TO THE U.S. BY EDWARD EDWARDS IN 1890. EDWARDS' HARDEST INVENTION, REQUIRING TEN YEARS AND 50,000 EXPERIMENTS, IT WAS INTRODUCED IN 1930 AND IS WIDELY USED TODAY IN INDUSTRIES, TRUCKS, WINE LOGGERS AND BY RAILROADS.

Let's all hold Wednesday evening, October 23, open for our date

INDIAN NECK

By Richard Whitcomb

The Indian Neck 4-H Club will hold its next meeting in the home of Charles Buell. All notebooks will be turned over to the president at that time.

Mrs. Veronica Hiseley was a recent guest of Mr. and Mrs. Harry Newton.

The Indian Neck school has been changed to a different time schedule so that children can come on the Connecticut Company bus and not be late.

News for the Branford Review may be given to Richard Whitcomb and papers obtained from him.

Since July, 1940, American air-day for Indian Neck pupils plane deliveries have increased 230 per cent.

A GOOD RECIPE

By Elaine Levy

One cup of friendship
Three cups of cheer
Will make a good recipe
For the coming year
Then add some good behavior
And good conduct too
And you'll be happy
The School year through.

With The Boys In The Service

Lieut. Joseph T. Bernard was a recent guest of his parents, Mr. and Mrs. T. J. Bernard of Notch Hill Road. He recently received his commission as a Lieutenant in the Signal Corps after completing a course at the Officers Candidate School at Fort Monmouth, N. J.

Lieutenant Bernard enlisted in the army in December 1939, and re-enlisted in 1939. At one time he was in charge of radio with the 11th Signal Service in Panama. In 1940 he married Miss Genevieve Rose of Louisiana where Mrs. Bernard will join him in the near future.

Climaxing Its Greatest Year, Pontiac Presents Its Greatest Quality Achievement!

10 Great New Pontiacs

with the things you've always liked — and 15 new ones too!

INTRODUCING

★ The famous Pontiac Torque-Shifted Ride—ever further improved— is still yours in 1942.

★ Pontiac's new "Shielded Bodies" by Fisher equal in quality—even exceed in longevity those of any previous Pontiacs.

★ V-8 engine, semi-pistons, bearings, connecting rods and crankshafts are unchanged in the 1942 Pontiacs. The only major change is in the lifetime oil cleaner—and that's improved.

★ For even easier handling, travel of the gearshift lever has been reduced 10 per cent. Pontiac's exclusive Tor-Arc Steering is also retained.

★ While riding comfort has been improved by greater over-all length and weight, Pontiac's famous gas and oil economy has not been sacrificed.

★ For 1942 Pontiac front wheel brakes have been increased in size and all four brakes are now triple-sealed.

★ AVAILABLE AS A SIX OR AN EIGHT IN ANY MODEL

★ You are in for a mighty pleasant surprise when you see and drive the 1942 Pontiacs. In a year when quality and long life mean more than ever to buyers, Pontiac has given you a 1942 model that not only offers you the things you've always liked in the great Pontiacs of the past, but also one that is actually 15 years better than last year's sensational success!

★ Can you understand now why we say that new 1942 Pontiacs represent our greatest quality achievement? And why Pontiac is already the choice of thousands who are buying not for this year alone, but for many years to come, if need be?

★ See these new Pontiacs today. And don't forget Pontiac is still priced just a few dollars more than lowest-priced cars!

Two complete plants... over 436,000 square feet of floor space... thousands of skilled craftsmen—what's Pontiac's driving to the National Defense? Pontiac's job is the production of a new type of rapid-fire cannon for the United States Navy—a weapon which naval experts say is the "most effective of its size ever produced." Pontiac is doing its part—and doing it well!

THE SECRET OF MY COOKING SUCCESS IS MY ELECTRIC RANGE!

"It's easy to be a good cook with a minimum of time and effort. My electric range taught me that. The first time I went out and left it to cook a dinner by itself I worried just about as much as I did the first time I went out for the evening and left my baby in somebody else's care. But when I returned—there was the dinner perfectly cooked!—as though I had watched it."

"I wish I had switched to Electric Cooking long ago, especially when I think of the time I have wasted that could have been more enjoyably spent."

Universal Electric Ranges are fast, Convenient, Clean, Safe, Dependable and Economical.

Rams Meet Newhallvilles At Hammer Field

Maine Bears To Meet Huskies At Storrs In Homecoming Day

The University of Connecticut Huskies are ready for the Alumni Homecoming game on Saturday when they meet the University of Maine football team at Storrs. The Huskies to Coach Guard T. O. Mass State 8-6 and Wesleyan 7-6 have provided the Connecticut team with a fighting determination that should produce touchdowns on Saturday. Unbiased observers who have seen the three games played to date have had to admit that the UConn Squad has a potential running and passing attack that cannot be held in check much longer.

High Team Meets Shelton Eleven On Foreign Soil

Branford travels to Shelton this Saturday afternoon to meet the surprising Shelton High School team which has won a victory over the hapless Branford High forces at Hammer Field last Saturday afternoon before a scant two hundred people.

Hamden Pins Hornets To Defeat, 6-0

An early six point lead scored in the first period gave Hamden High a win over the hapless Branford High forces at Hammer Field last Saturday afternoon before a scant two hundred people.

DALE BARTHOLOMEW
-DARTMOUTH-

A javavee most of his Sophomore year, a guest star in the final game of 1939, he went into a slump in a junior but now appears ready to be a backfield mainstay at either halfback or fullback.

— an excellent long distance passer —

New Backs Added To Fill Branford's Depleted Ranks

BASEBALL FANS ARE GOOD SPORTS

The thousands of fans present at the fifth and last game of the World Series deserve many words of appreciation.

A certain member of the Brooklyn Dodgers undoubtedly approached the game with a feeling of discouragement and failure. His error in the fourth game had paved the way for final Yankee victory.

The showing of Bob Harris and Ray Sussell at halfback and the improvement of the play of John Perko at fullback were the encouraging features of the Wesleyan game. Harris and Sussell are sophomores and Perko and Toftolon are Juniors.

Three sophomores are available at center, but Mill Drape of Plainfield, who has started the three games to date, has been improving steadily and will no doubt get the assignment.

Red Cross Notes

From January 1 to October 1 the Branford Branch has made 2,318 garments; 15,632 gauze dressings; conducted 6 first aid classes, with 89 members receiving certificates; 2 Water Safety classes, 35 receiving certificates; 2 Home Nursing classes with 466 receiving certificates.

The annual Red Cross Regional Conference will be held in Hartford at the Bond Hotel on October the 23rd. The first session will begin promptly at ten o'clock. Those wishing luncheon reservations will kindly telephone Mrs. James J. Walworth before Sunday.

The Staff Assistant's course will commence on Tuesday, October the 21st at the New Haven Chapter Headquarters, 12 Hillhouse Ave. The afternoon session is at 2:00 in the evening. Those wishing for further information may call 324.

Two local First Aid Instructors, Mrs. Mae Palmer and John Cameron have received license plates for their cars and first aid equipment sufficient to aid on the highway in case of accidents. Miss Martha Adams of Pine Orchard also has the standard equipment.

A class in First Aid will start on October 22nd in Indian Neck. The instruction will be given by a New Haven Instructor at the Fire House at eight o'clock in the evening. Anyone interested to join the class may get in touch with Mrs. Harold Barker 337-3 A class of both men and women is being organized which will be held a little later in the Town Hall. Mrs. Barker is the First Aid Chairman in Branford and all information may be obtained from her. Those having taken the advanced course are eligible to have pins.

Plans for coordinated efforts in protecting the nation's civilian population in the event of an emergency were outlined here in a joint statement issued by Chairman Norman H. Davis of the American Red Cross, and Florella La Guardia, director of the U. S. Office of Civilian Defense.

The statement embraces a six point plan of coordination which will guide local Red Cross chapters and Councils of Civilian Defense in working out preparedness programs in rescue work, emergency medical care and training of civilians for volunteer jobs.

Facilities of Red Cross disaster relief for the mass feeding, shelter, medical and nursing care will be placed at the disposal of the OCD and its Councils, according to the agreement.

The statement follows:
"1. The office of Civilian Defense is the official government agency "to assure effective coordination of Federal relations with State and local governments engaged in defense activities, to provide for necessary cooperation with State and local governments in respect to measures for adequate protection of the civilian population in emergency periods, to facilitate constructive participation in the defense program, and to sustain national morale."

"2. The American National Red Cross is the responsible agency for relief of suffering caused by disaster both in peace time and in the national defense emergency, by providing food, clothing, shelter, medical and nursing care and other basic necessities. Therefore, Red Cross Disaster Relief Service, nationally and in local chapters, will serve in emergency care and rehabilitation of individuals and families suffering from caused by belligerent action during the national defense emergency in cooperation with governmental agencies—national, State, and local. In rescue work and emergency medical service caused by belligerent action for which the Office of Civilian Defense assumes leadership and responsibility, the Red Cross will make its services available as needed.

"3. The Red Cross acts as a medium of communication between the people of the United States of America and their Army, and Navy." Cases of active service, and ex-service men and their families should be referred to the Red Cross which is responsible for providing or securing the services the Red Cross makes maximum use of other community resources.

"4. Training of Office of Civilian Defense workers in first aid and nurse's aide service is provided by the Red Cross through its programs of training in first aid and nurse's aide course. The recognized service

EAST HAVEN

ROBERT L. JOHNSON WEDS JANE REINKE

In St. Paul's Church New Haven on Saturday afternoon at 4 o'clock, Miss Jane Reinke, daughter of Mr. and Mrs. Emil J. Reinke of 833 Quinlup Avenue, became the bride of Mr. Robert Lee Johnson, son of Mr. and Mrs. Hervey S. Johnson of 48 Taylor Avenue, East Haven. The Rev. Warren Traub performed the ceremony.

The matron of honor was Mrs. Charles C. Cutting of Mount Carmel and Miss Jane Cole of Alexandria, Va. was maid of honor. There were two bridesmaids Miss Shirley Rice of North Haven and Mrs. E. John Reinke of New Haven.

The flower girl was Miss Judy Lee Johnson of East Haven. The bride groom had for his best man, his brother, Allen Johnson. Mr. H. Shepard Johnson and Mr. Frank Johnson brothers and Mr. Carleton Patzner of East Haven were ushers.

MISS AMELIA IEZZI MARRIED SATURDAY

Miss Amelia Iezzi, daughter of Mr. and Mrs. Rocco Iezzi of North High Street was married to Mr. John Cook, Jr., son of Mr. and Mrs. John Cook of Henry Street in a double ring ceremony at Christ Church Saturday morning, with Rev. Alfred E. Clark officiating.

The brides attendants were Miss Mary Iezzi, sister of the bride, with Doris Iezzi and Marian DeSablo as maids of honor. The best man was Robert Cronis of Bridgeport and the ushers were Dominic Iezzi and Dick De Sabilo. Rocco Iezzi, Jr., was ring bearer and Betty Ann Cook, flower girl.

An addition to the office and display room is being made by the J. A. Long Co., 154 Dodge Ave.

Rainbow choir will rehearse Tuesday afternoon, October 2 at the home of Mrs. James Ogilvie, 270 Hemingway Ave.

One case of lobar pneumonia and one of measles was reported here this week.

Mr. and Mrs. H. Reynolds of 3 Taylor Ave., East Haven are visiting Boston, Mass., for several days. During their stay they are living at the Copley-Plaza Hotel.

of the Red Cross in training in industrial workers and others in first aid is drawn upon.

"5. The Red Cross through its Chairman as a member of the Civilian Protection Board, has made available all of its services as needed by the Office of Civilian Defense, both national and local.

"6. Councils of Defense and Red Cross Chapters in their civilian defense activities should develop their local plans of cooperation in accordance with this joint statement of responsibility."

National Honors Given To Comet

The high school students have achieved national honors as the result of a nation-wide competition conducted by the National Scholastic Press Association. The Comet, the high school newspaper, this week received first place, or All-American Pacemaker rating, in scholastic publications.

In the announcement from the association which included the criticism, the Comet was commended particularly for coverage, treatment, and display of news on athletic activities. The staff of students editing the issues judged, consisted of editor-in-chief Lillian Levine; assistant editor, Evelyn Bunnell, business manager, Lillian Blockland, with Miss Grace E. Blanchard as editorial adviser, and Miss Mary E. Sharon as business adviser.

G. O. P. WOMEN CONVENE
Reservations were made for the New Haven County Republican Women's Association Meeting Wednesday in Southbury by the following: Mrs. Samuel Hanover, Mrs. Robert Gerrish, Mrs. Charles Miller, Mrs. Earl Clark, Mrs. Otto Schiebel, Mrs. Daniel O'Neill, Mrs. James Sullivan, Mrs. Myron Grover and Mrs. Harold Burritt.

Mr. and Mrs. William J. Bree of 49 Forbes Place, announce the marriage of their daughter, Margaret Frances to Mr. Joseph M. Ryan, son of Mr. and Mrs. Michael Ryan of 705 Dixwell Ave. Wednesday Morning at 10 o'clock in St. Vincent de Paul's Church.

RADIO TEAM SCHEDULED
The Christ Episcopal Church will present a program of entertainment featuring a personal appearance of the famed radio team Gene and Glenn, with Jake and Lena, in the high school auditorium, on Thursday, October 23d at 8:15 P. M. Reservations may be made through Rev. Alfred Clark or Mr. George E. Munson of Hemingway Avenue. This entertainment is part of a program by which the church hopes to raise sufficient funds to make major alterations on its property.

The Young Mr. and Mrs. Club will hold a dance November 7 at the Old Stone Church.

Miss Grace Blanchard, instructor in Journalism at the high school is serving on the nominating committee of the Connecticut Scholastic Press Association that meets October 31 in Bridgeport.

Ladies of Auxiliary unit No. 89 Harry R. Bartlett Post meets Friday evening in the club rooms.

The Women's Aid of the Old Stone Church celebrates its 50th anniversary with a covered dish luncheon this afternoon in the parish house.
