Monday, Friday, and Saturday:
10am—5pm
Tuesday, Wednesday, &
Thursday: 10am—8pm

Closed on Saturdays in July & August

What is the Adopt an Author Program?

Participants in the Adopt an Author Program agree to sponsor the purchase, at library cost—usually a savings of 40% from the retail price—of one copy of each book published by their favorite, selected author for a one-year, renewable period.

The Adopt an Author Program is designed to enable the library to have a greater number of popular titles available for readers, as well as providing participants the opportunity to “skip the line” and read the works of their favorite authors before others on the wait list. Each “adopted” book is signified by a special book plate identifying the adopting patron.

Adopted authors may borrow their book for a special four-week loan period as soon as the book has been processed and cataloged by our Technical Services Department. Once the book is returned to the library, it becomes part of the regular circulating collection.

**To participate in the Adopt an Author Program, please contact Cynthia, Community Services Librarian: 203-468-3891/
cgwiazda@hagamanlibrary.org.**
