A Lasting Tribute

Haganan Library's Tree of Knowledge

Hagaman Library's Tree of Knowledge

Hagaman Library welcomes you to our community of learners, thinkers & makers & invites you to participate in our Tree of Knowledge.

With leaves crafted of bronze & personalized with the message of your choice, the Tree of Knowledge is a permanent symbol dedicated to the intellectual, cultural & social lives of the people who love the library.

Whether you are considering donating a leaf with a favorite quote, a family name, or as a special tribute to someone close to you who has demonstrated a deep love of books, The Tree of Knowledge is a perfect way to leave an indelible mark on the town of East Haven.

The Tree of Knowledge is on permanent display in The DeMayo Room as a lasting tribute to those whose names are engraved. You are invited to visit us in person during library hours to read the beautiful thoughts & messages that have already been added through the generosity of other donors like you.

Your donation means so much to our library and our community. Funds from the Tree of Knowledge help support the cost of maintenance and programming at Hagaman Library. We are so grateful for your support.
